Since 1992, WRAG has annually provided a community for over 100 regional funders.

**CONVENINGS**
- Networking Opportunities | WRAG provides dozens of educational and networking opportunities each year for members to learn about community issues, from experts, and from each other.
- Collaborative and Educational Programs | Through dozens of events a year, members build community among and provide a robust arena for idea exchange, collective problem-solving, and the development of cross-sector solutions.

**CONNECTIONS**
- Regional Partnership | Our members share expertise, discover new insights, and leverage their funding through partnerships and collaborations. WRAG connects members in a variety of ways including through programs and events, via our various listservs and social media outlets, and our online Member Directory.
- Working Groups | WRAG working groups align regional funding and action around key topics. The current working groups are: Children, Youth, Families, and Education; Housing; Healthy Communities; and Racial Equity.

**COMMUNICATIONS**
- Timely Updates | WRAG’s social media accounts and email updates provide regular briefings on local developments and what you need to know to be effective in your role in DMV philanthropy.
- The Weekly WRAG | The weekly newsletter features relevant news, member highlights, sector updates, recent research, and tips for action and advocacy.
- #WRAGMember | WRAG regularly calls out member accomplishments and announcements on social media and our newsletter to spread the word about the great work of your organization.

**CAPACITY BUILDING**
- Job Board | Post your position description on our job board for free.
- Referrals to Experts | Let us connect you to resources, local experts, and partnership opportunities to strengthen your organization.

**COMMITMENT TO RACIAL EQUITY**
- Organization Priority | WRAG believes that the philanthropic sector must leverage all of its resources to dismantle structural racism, examine implicit biases within the sector, and commit to creating a racially equitable society.
- Voice of Equity in the Region | WRAG approaches all our work with a racial equity lens and focuses on inspiring our members to integrate racial equity into their work as well.
